

Join us for an 1800s Christmas in...  
*Historic Wynnewood*

As we travel back in time to a Christmas day before the onset of the Civil War, we invite you to experience a part of our local heritage as we answer the question:

**How was Christmas celebrated in the mid-nineteenth century?**

Were gifts exchanged? Were special meals or recipes prepared?

How did they decorate? Were stockings or Christmas trees used?

How were children involved in celebrating Christmas?

Did slaves celebrate Christmas?

**Come find out at ...**
